You may opt to enroll your daughter in homework club one day a week or all four days. The fees per session are outlined above and students who have signed up for this option, must be picked up promptly at 4:20 p.m.

Please Note: *Grade 3–5 students who are enrolled in Tree House will automatically attend Homework Club as part of their Tree House program at no additional fee.*

## Coding & Robotics #Like a Girl

Wednesdays 3:15–4 p.m.

10 classes: Wednesday: Sept 13, 20, 27. Oct. 4, 11, 18. Nov. 1, 8, 15.

Grades: K–2

Instructor: Susan Amsler-Akacem

Fee \$250

In Coding & Robotics #Like a Girl, your daughter will have a blast creating animated stories, building robotics, and bringing their imaginations to life. And to boot, she'll be learning lifelong skills along the way: basic coding and programming, problem solving, logic, physics, and more! It's a great way to get kids psyched about learning cool tech skills.

During this enrichment your daughter will:

- Learn how to create characters, animations, sounds, and special effects using our intuitive, kid-friendly Scratch Jr.™ technology.
- Develop mini-stories and learn the skills to build a robot she can program.
- Experiment and troubleshoot on his or her programming project, developing important problem solving, logic, and computational skills.
- Collaborate with other peers, learning from and challenging each other.

## Hip Hop and Little Hip Hop:

Little Hip Hop: Tuesdays 3:10–3:50 p.m.  
Sept. 12, 19, 26. Oct. 3, 10, 17, 24, 31. Nov. 7, 14, 21

11 classes

Grades: N–K

Instructor: Tracy Ditroia

Fee: \$275

Hip Hop: Fridays 3:10–3:50 p.m.

Sept. 15, 22, 29, Oct. 6, 13, 27, Nov. 3, 17  
8 classes

Grades: 1–5

Instructor: Tracy Ditroia

Fee: \$200

Children in each of these classes will enjoy age appropriate hip hop, dancing, and getting into the groove while developing dance skills and stretching techniques. Students will also work on basic gymnastic moves such as cartwheels, bridges, forward rolls etc. In addition, they will build stamina, self-confidence, and most importantly have fun! Hip Hop is great exercise and a perfect after school activity. Tracy Ciccone-Di Troia has been teaching dance in the Rhode Island area for over 30 years. Her dance studio TLC PERFORMING ARTS (TRACY CICCONE PERFORMING ARTS) is a family-run business for over 60 years. Tracy was the assistant choreographer for Gloria Estefan *Into the Light* tour and has worked on numerous commercials and stage productions in Los Angeles and Rhode Island. She was a member of the festival Ballet Company growing up and her love of dance is expressed in her teaching.

## Yoga Pretzels

Yoga Pretzels: Fridays 3:15–4 p.m. Sept. 15, 22, 29, Oct. 6, 13, 27, Nov. 3, 17 8 classes Grades: N–PK Instructor: Elyse Rotundo Fee: \$200
--

Let's get bendy, go upside down and challenge our bodies in this exciting, energy releasing yoga class. Children will learn how to calm themselves down and relax with kid-friendly breathing exercises and meditations, fun focus games, and our OMazing yoga adventures, which foster cooperation and creativity by giving kids the power of deciding where they will go and what they will see. Dragons at the zoo, hula dancing in Hawaii, royal balls with a favorite princess, and swimming with sharks in Australia, make practicing yoga a fun and very personal experience for this very special age group.

## Peace Warriors

Peace Warriors: Mondays 3:15–4 p.m.  
Sept. 11, 18, 25 Oct. 2, 16, 23, 30. Nov. 6, 13, 20  
10 classes  
Grades: K–3  
Instructor: Elyse Rotundo  
Fee: \$250

This super fun, yet calming yoga class emphasizes mindfulness and self awareness through challenging yoga poses, creative games, art and music. Kids will learn a variety of techniques to help them focus, relax, and calm their minds, as well as build strength, increase flexibility and improve coordination. Classes are upbeat, engaging, and full of tools kids can use to help them navigate everyday life.

### **Odyssey of the Mind Competition Team**

Odyssey of the Mind is an international educational program that provides creative problem-solving opportunities for students. Team members apply their creativity to solve problems that range from building mechanical devices to presenting their own interpretation of literary classics. This club brings all aspects of STEAM together in a very fun, collaborative, and hard-working way.

Being in Odyssey of the Mind is a yearlong commitment beyond Friday afternoons. There is one state tournament that teams will compete in during the month of March in

the New England area. Friday practices may also extend around tournament time, if needed.

The above registration fee is for one 10-week period and totals \$750 for the year. This fee includes instruction, team t-shirt, materials needed to complete the project for state tournament level, team registration into Odyssey of the Mind, and team registration for the New England state tournament. Any extra money needed for tournaments beyond the state tournament will be the family's responsibility.
